Scripture: John 8:42-58

Jesus took on Himself the role of provider and source of water, a role the Jews understood was filled by God.

Jesus took on the role of guide and light of the world, a role the Jews understood was filled by God.

John 8:42-59 (CSB)

Jesus tells "believers" that TRUE disciples are the ones who remain in His word, obeying it and modeling their lives around it.

True followers of Jesus love Him, they listen to His words, and they understand what He says about who He is.

Slaves to sin are blinded to their spiritual reality by the lies that Satan has told them.

Lies about God:

Lies about sin:

Lies about the solution to our sin problem:

True followers of Jesus keep His word and are given eternal life.

"Truly I tell you, before Abraham was, I AM."

Exodus 3:13-16a (CSB)

There is no doubt that Jesus claimed to be God.

If Jesus is God, how should we respond to Him?
